

*Vanilla Islands *

The new flavoured cruising destination

vanilla islands
INDIAN OCEAN

Connectivity

Challenges

Increasing customer satisfaction:
Meet and surpass their expectation

Price, service, authenticity,
wow experiences...

Need for ethics

Planting trees is not enough

Recommendations

Being able to prove the sustainability of the island:
System to monitor and manage the environment impact

Sharing the practices

Understanding the needs of cruise lines
Facilitating private investments in infrastructures and regional lines

Issue

FINANCING THE ADMINISTRATIVE WORK

Monitoring, managing, sharing, benchmarking

enjoy the
Vanilla
side of
Life...

Thank You
